The data collected will be processed electronically and is necessary to handle your request. As per the provisions of law no. 78-17 of January 6, 1978, you have the right to access and amend your personal data which is received by Ford France. Upon acceptance you will be able to receive our company's commercial offers. In this case as per the CNIL decision DF-2010-181 your data will be hosted in the USA by Ford Motor Company which is Safe Harbor certified.

EACH INCOMPLETE OR ILLEGIBLE REQUEST WILL BE RETURNED UNPROCESSED
IN CASE OF ANY DIFFICULTY DON'T HESITATE TO CONTACT A FORD DEALER

American identification label's data are mandatory to identify your vehicle.

The American identification label generally looks like a square sticker.

Depending on the model and year, it can also look like a metallic plate.

The American identification label is generally situated on one of the vehicle's B-pillar.

Depending on the model and year, it can also be situated in the engine compartment or on one of the vehicle's doors.

If you cannot find your vehicle's American identification label, don't hesitate to get in touch with a Ford Dealer.
